

EMBRACE THE BEAUTY OF LIFE

La passeggiata

EMBRACING BEAUTY

Il bello della vita — the beauty of life. Inspired by this Italian sensibility, Italia captures the essence of taking pleasure in the moment and in beautiful things. Here, elements of classic Italian style marry minimalist forms, where every detail has been carefully considered for its beauty and to optimize functionality, efficiency, and livability.

Enjoy meticulously designed, Italian-made smoked glass pivot doors and cabinetry, open-air terraces with spacious outdoor entertaining spaces, oversized windows that bath each home in natural light, and gourmet kitchens offering streamlined, modern design.

BROADWAY SUBWAY PROJECT

FUTURE EXPANSION

AT THE CENTRE OF IT ALL

To say Italia is centrally located is an understatement. Situated in the established and prestigious neighbourhood of South Granville, Italia is home to an evolving community full of opportunity. Within minutes, immerse in all that the neighbourhood has to offer: Granville Island, the Seawall, Kitsilano, Fairview, and beyond. The neighbourhood is already established, with a new chapter on the horizon. Developed as an elite neighbourhood by the Canadian Pacific Railway in 1907, South Granville has been a busy shopping district ever since. Off Granville Street, grand estates, like Hycroft Manor, are secluded behind tall hedges and romantic long driveways.

ESTABLISHED NEIGHBOURHOOD

South Granville is a stylish, historic, and safe multi-block district boasting excellent restaurants, fine art galleries, and high-end shopping.
