TRULY ONE-OF-A-KIND | EXCLUSIVELY ITALIA

What makes each and every residence at Italia unique is the seamless integration of exclusively designed kitchen and bathroom cabinetry, closet millwork and smoked glass pivot doors. Each element is meticulously designed to accentuate the functionality and beauty in every home and hand crafted by Solterra's design partner in Northern Italy to provide the best craftsmanship.

The precious, final touch in each home are the CRISTINA Rubinetterie faucets and shower fittings in every kitchen and bathroom. These faucets and fittings are truly "Made in Italy" – from hot molding and galvanizing to the mechanical processing of brass, production from beginning to end is kept in-house in order to maximize quality control.
